

INVESTMENT MANAGEMENT SERVICE CHARGE CARD

(with effect from 1st February, 2024)

Investments managed on a discretionary (as described in our Services, Terms and Conditions) basis, will be charged a management fee of 1.15% (plus VAT) per annum on the first £1m, anything in excess of this value being charged at 0.65% (plus VAT) per annum, subject to a minimum monthly charge of £20 (plus VAT) per month. The fee will be calculated daily, based on the value of the portfolio (excluding the prevailing cash balance) and applied monthly. The accrued charge will be immediately payable upon the termination of the service.

For illustration purposes only, we detail below a portfolio valued at £100,000 of which £1,000 is held in cash, with a management fee of 1.15%.

Calculation: £99,000 x 1.15% = £1138.50

£1,000 x 0% = £0

Plus VAT at 20% = £227.70

Total = £1366.20

The illustration assumes the value of the portfolio and the cash element remain unchanged during the year.
