

Quarterly Factsheet as at 31st March 2026

Investment Strategy Objectives

The AIM Portfolio is designed for clients wishing to invest in a portfolio of AIM Market listed products that in qualifying for Business Property Relief should be exempt from Inheritance Tax, if held for more than a 2 year period. AIM stocks can be much more volatile than both large and mid cap company shares and as such are categorised as Higher Risk.

It is strongly recommended that investors read the James Brearley AIM Portfolio Service Brochure for further information on this portfolio.

The JB AIM Portfolio is benchmarked against the Numis Alternatives Market Index.

OUR INVESTMENT MANAGEMENT SERVICE HAS ACHIEVED A DEFAQTO 5 STAR RATING.

Performance

Important Information

Investing in stockmarket based investments may not be right for all investors. You should consider carefully and/or seek professional guidance before investing. Please remember that past performance should not be seen as a guide to future performance. The value of an investment and any income from it can fall as well as rise as a result of market and currency movement and you may not get back the amount originally invested.
